Universal thinner for all oil-based ProNature products.

INGREDIENTS

Gum turpentine, Orange Peel Oil.

Note: Natural products are not odour and emission free. Consider possible allergies!
TVOC (total volatile organic content) = 865.50 g/litre

AREA OF USE

For the viscosity reduction of oil-based ProNature products like Indoor, Outdoor, Rock and Floor. For the degreasing of substrates before application of oil-based products and for the cleaning of equipment and oil spillages as well as removal of wax deposits.

GENERAL INFORMATION:

ProNature Plant Turpentine is flammable; flash point of approx. 48 °C.

SAFETY PRECAUTIONS

Product is flammable and may produce ignitable fumes during application. Keep away from open flames and any source of ignition and ventilate well.
Due to its strong degreasing action ProNature Plant Turpentine should not be used for hand cleaning, wear skin protection during application and handling.
Keep away from children!

PACKAGE SIZES

1 l, 5 l and 25 l

STORAGE STABILITY

A minimum of 12 months in unopened containers when stored in a cool and dry place.
