

Technical Data Sheet

Product Description:

ProNature Wall Protect is a waterborne, natural resin based wall protection. It is a protective coating for a semi-sheen finish of all interior and exterior stone and cementitious plasterwork, terra cotta tiles, slate and face brick with a special focus on clay & lime plasters.

Ingredients:

Water, Linseed Oil, Sunflower Oil, Soybean Oil Ester, Casein, Borates, Gum rosin, Cellulose Ether, Potassium Sorbate, Isothiazolinone and Butylcarbamate.
TVOC (total volatile organic content) = 0.98 g/litre

Colours:

Clear. *Please note: Appears milky on application but dries to a clear film.*

Coverage:

Approximately 20m²/litre, depending on absorbency of substrate.

Surface Preparation:

Mineral substrates: to ensure correct PH-Level for proper adhesion pre-treat surfaces with acid wash. Then proceed with filling holes & cracks.
All surfaces must be clean, dust- and oil free.

Application:

- Product is ready to use. Do not dilute. Stir well.
- ✓ The paint can be applied by brush, roller, foam pad or suitable spraying equipment.
 - ✓ 1 coat of undiluted ProNature Wall Protect is sufficient under normal circumstances.
 - ✓ ProNature Wall Protect fully dries within 24 hours depending on ambient conditions and reaches its final maturity after about 7 days. Cold weather and/or high humidity will prolong the drying process.
 - ✓ Clean tools with water. For partially dried product use [ProNature Plant Soap Concentrate](#).

Storage / Shelf Life:

The product can be kept for a minimum of 12 months in unopened containers when stored in a cool and frost-free place. Product does contain some preservatives but might still be subject to micro bacterial decomposition. Once opened product has a limited shelf life and preferably should be used immediately. Do not use material if it has an unpleasant smell or shows signs of a micro bacterial attack i.e. mould.

Package Sizes:

1l, 5l, 20l

Disposal:

Dried product residues can be composted or disposed of with domestic waste material. DO NOT empty liquid residues into drains. Return empty tins for recycling.

Caution:

Even natural ingredients may cause allergies. Use only as directed. Store out of reach of children. Supervise children during use.

General:

The above information given is intended as a guideline only. Since this product is used outside of our control, ProNature cannot be held liable for any loss or damage whatsoever relating to the application or surface it is applied to. We reserve the right to change specifications at any time and without prior notice.
