

Technical Data Sheet

Product Description:

Gentle enough to use every day, ProNature Wooden Floor Cleaner is an effective cleaning solution for all your interior & exterior wooden floors.

For restoring greyed and weathered wood to its former beauty please refer to the **ProNature Wood Reviver Kit**, an easy 2-step system. No sanding, no pressure washing! Just clean then treat.

Ingredients:

Water, Potassium soaps, essential oils

Product is VOC Free (less than 1%).

Surface Preparation:

Clean surface of loose dirt. Scrub with a stiff bristle brush to remove intense dirt such as algae etc.

Application:

Product is ready to use. Do not dilute.

- ✓ Moisten wood.
- ✓ Apply ProNature Wood Cleaner by using a sponge or cloth.
- ✓ Allow product to draw into wood for 2-3 minutes.
- ✓ Use stiff short-bristle brush or scrubbing pad if necessary.
- ✓ Rinse with clean water.

Severely dirty or weathered wood may require a second treatment until wood shows its natural colour and grain.

Storage/Shelf life:

Store in a cool and frost free place.

Minimum stability 24 month in closed container.

Package Sizes:

1L, 5L,

Safety:

Natural ingredients may cause allergies. Use only as directed. Keep out of reach of children. Supervise children during use.

General:

The above information given is intended as a guideline only. Since this product is used outside of our control, ProNature cannot be held liable for any loss or damage whatsoever relating to the application or surface it is applied to. We reserve the right to change specifications at any time and without prior notice.
